# ProPak Asia: Accelerating Manufacturing Industry in a Fast-Paced World

In today's era of rapid global changes and market uncertainties, ProPak Asia stands as your essential platform for overcoming challenges and seizing opportunities. Each year, we bring together the manufacturing industry's vital elements: the latest technologies and innovations, industry leaders, valuable insights, and cutting-edge trends. Whatever your challenges or requirements, you will find comprehensive solutions across the entire supply chain for diverse sectors. Our move to a new venue allows ProPak Asia to showcase even more solutions, ensuring your business with expanded opportunities for growth.

## Guiding Your Business Towards Sustainable Success

Sustainability is no longer just a trend, it is a fundamental approach for long-term business success. Companies of all sizes are now embracing sustainable practices to gain competitive advantages through smarter operations and advanced technology integration. At ProPak Asia, this commitment comes to life. Attendees will experience a wide array of sustainable innovations and solutions, demonstrating how industry can thrive responsibly and efficiently in a rapidly evolving world.

**ProPak Asia is the must-attend event to propel your business forward.**

## Voices from Industry Leaders

*ProPak Asia truly helps the industry enhance its capabilities and operational efficiency. Whether a business is large, medium, or small, all can come to learn and apply new insights to improve their production processes. The event also fosters collaboration among entrepreneurs.*

**Dr. Charoen Kaowsuksai**, Chairman of Food and Beverage Industry Club, The Federation of Thai Industries

*ProPak serve as a Center of Excellence for various sectors, including processing, automation, packaging, logistics, cosmetics, and pharmaceuticals. It is the perfect place for businesses from nearly every industry to discover the latest technologies and innovations annually.*

**Ms. Mathuvalee Stithyudhakarn**, Committee and Treasurer Thai Beverage Industry Association

*ProPak Asia genuinely represents every industry, as all sectors require packaging. That's why we partner with ProPak Asia annually to provide educational events, including the Global Packaging Forum, along with various training sessions and workshops. I invite everyone to join this fabulous, largest packaging and processing trade show in the region each year.*

**Mrs. Nerida Kelton**  
Executive Director, Australian Institute of Packaging (AIP)

*ProPak Asia is incredibly beneficial for every sector of the food industry. Attendees will discover new technologies in both production processes and packaging, particularly the rising significance of AI applications. The event also highlights carbon footprint reduction and environmental responsibility for sustainable growth.*

**Asst. Prof. Puangpetch Nitayanont**  
President, Food Science and Technology Association of Thailand (FoSTAT)

*We're always happy to be part of ProPak. For us, it's a very good opportunity to meet our customers that we have a long relationship with. We also meet new prospects, people that want to enter the food processing industry or people who would like to further develop their capabilities in food processing and are requesting our support and our solutions in that industry.*

**Mr. Romain Bracciani**, Vice President, Southeast Asia Marel Food Systems Ltd.

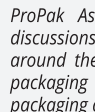

*It's really good feedback so far, including really good feedback from the past year. We were really successful. We were well-connected with existing customers, as well as we got a new prospect in the event. In the ProPak, it's a good event that we can meet strategic partners, we can understand the market evolution, we can support the customer to have the agility solution. So, the customers are happy to meet us here, as well as our partner in the business.*

**Mr. Parkpoom Praprom**, Sales Director - Thailand, Cambodia, Laos, Myanmar Sidel South Asia-Pacific Ltd.

*This fair is focusing on sectors like pharmaceuticals, beverages, food, and medical devices, and these are also the branches we are focusing on. So we really love to be here, and we are certainly participating next year, in 2026.*

**Mr. Roman Kucza**  
Vice President Global Sales, IWK Group

*ProPak Asia is a bold and essential stage for packaging discussions. It unites national packaging bodies and experts from around the world, making it a truly international platform for packaging innovation. This allows us to amplify the voice for packaging and drive its advancement on a global level.*

**Mrs. Luciana Pellegrino**  
President, World Packaging Organisation

*ProPak Asia is an excellent knowledge exchange platform. It brings together national packaging institutes from across Asia to share insights in conferences, allowing us and other businesses to learn directly from them. This is especially beneficial for addressing food loss and waste through improved food packaging.*

**Mr. Ali Badarneh**, Chief of Food Security and Food Systems Unit, United Nations Industrial Development Organization

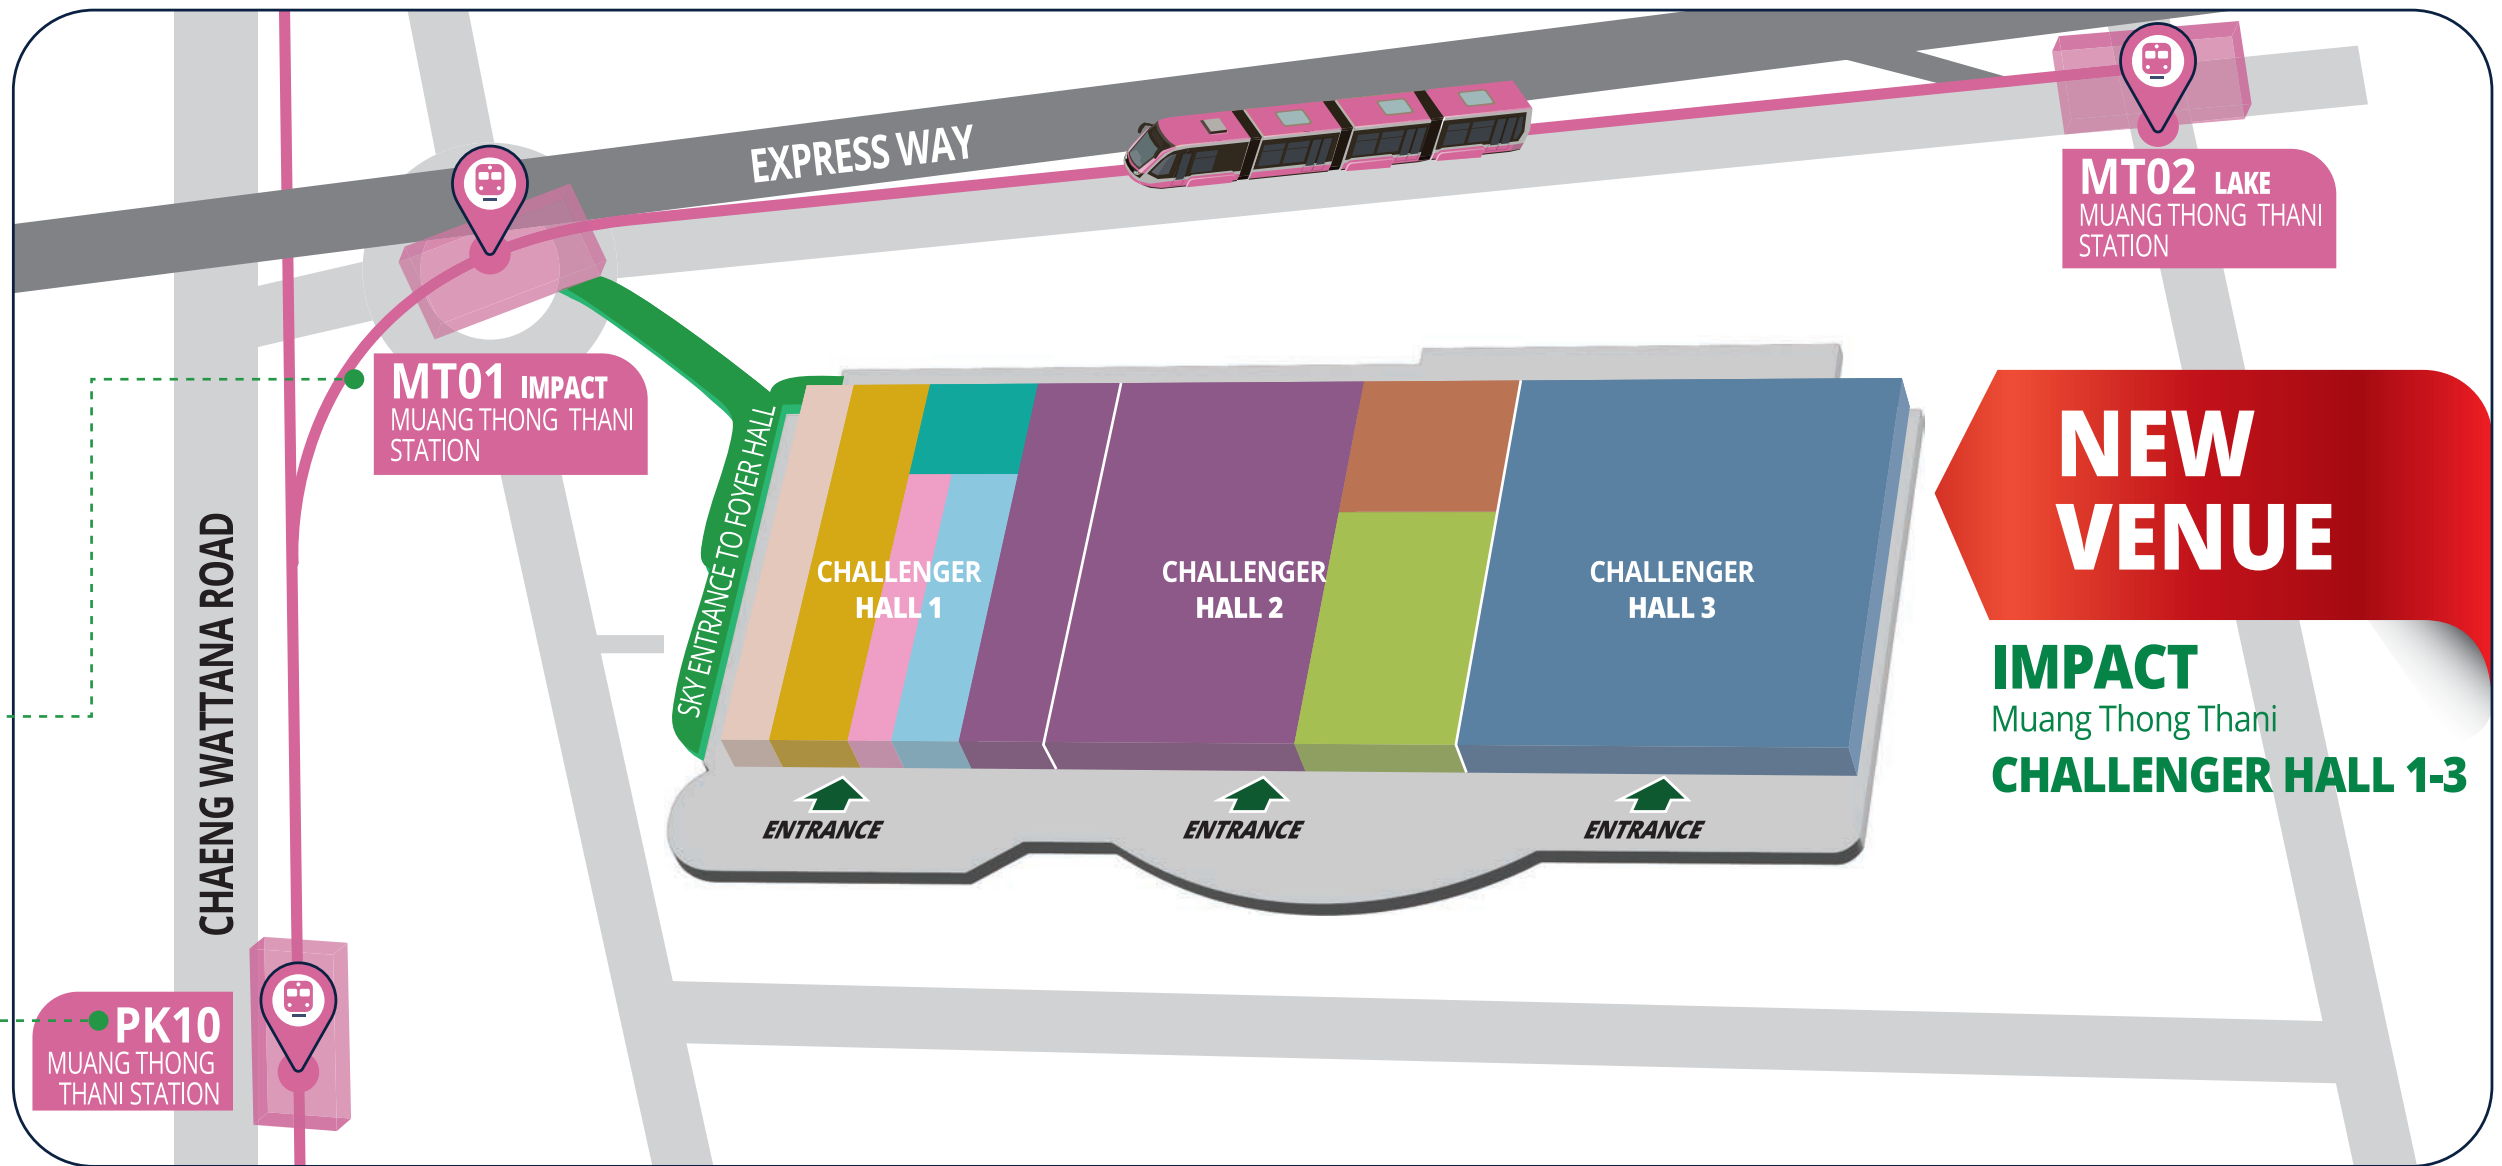

*ProPak is a central platform that brings together users, manufacturers, and buyers of packaging and processing equipment and materials. It truly endorses and supports everything manufacturing industries need in packaging and processing.*

**Mr. Joseph Ross S. Jocsan**, President, Asian Packaging Federation
